

Art lessons

Art lessons will develop your child's creativity and imagination while they have fun exploring the exciting world of art. Students will learn about the principles of color mixing, mark making, and creating shapes all through interactive and fun lessons. Using a variety of mediums (pencil, pastels, & acrylic) your child inner artist will be cultivated as they explore different ways of seeing.

Students will learn to explore and trust their imaginations and creative instincts. Working from still life, photographs and other images, your child will be introduced to specific drawing and painting fundamentals and techniques.

Yelena Zharnitskaya is a practicing artist, photographer and painter.

At a very early age she won the Elizabeth Cleaver Award in Toronto and was fortunate enough to be published as a result. Her interest in arts and talent was recognized by the acceptance to the prestigious Claude Watson Arts Program. Her previous achievements include graduating from The Claude Watson Arts Program with a Visual Arts Major, a scholarship awarded from York University recognizing her dedication to education and awards for excellence. Yelena successfully completed her Bachelor of Fine Arts undergraduate degree with Honours at York University. Yelena is a creative and intuitive individual who is committed to inspiring others with a passion for the arts. She strives to provide an atmosphere of creativity in her classroom that fosters individual students to achieve artistic excellence.
